

U13 National Team return from St. Kitts

The Bermuda U13 national team have recently returned from the 10th annual U13 Regional Invitational Cricket Festival, St. Kitts. In one of the only competitions of its kind in the region, the team competed against nine other national teams from around the Caribbean, giving them the opportunity to play against and interact with their peers from throughout the Islands. President of the BCB, Reginald Pearman stated, "This is the first time the Bermuda National U13s has travelled to face international competition. We are very pleased with their performance both on and off the field. I would like to take this time to thank The Bermuda Security

Group for their generous sponsorship of the Bermuda Security Group U13 League, which was integral to the formation of the U13 national squad in 2006. Under the guidance of Coach, George Cannonier, the team has worked hard, training twice a week in preparation for an event just like this. I think it is a wonderful opportunity for our youth whenever they are given the chance to compete internationally."
